

## Woodstock Conservation Commission Special Meeting Minutes

February 12, 2015

Meeting attendance: Jim Kaeding, Jean Pillo, Lee Wesler and Crystal Adams. Absent were Grace Jacobson, Bill Loftus, Peter Garrison, Bet Smith, Hope Hartland, Maura Robie

Meeting called to order at 7:30 PM.

### 1. Draft Plan of Conservation and Development

The draft Plan of Conservation and Development, scheduled to go to Public Hearing on February 19, 2015. The Conservation Commission had send materials on natural resources for inclusion in the PoCD to Planner Delia Fey, but it was not included in the draft PoCD. There was an apparent communication breakdown because the Conservation Commission had believed that the PoCD was going to include the conservation plan and that two separate planning documents were unnecessary. Jean Pillo contacted Planner Fey and requested an outline and offered to write a section on water resources several months ago. An email sent to Jean Pillo from Planner Fey on February 3 indicated Ms. Fey believed the Conservation Commission was working on a separate Conservation Plan.

A motion was made by Lee Wesler, second by Crystal Adams to send a letter to Jeff Gordon, PZC Chair requesting that the draft Plan of Conservation and Development not be approved as written and that the PZC work with the Conservation Commission to include a more complete section on natural resources. Chairperson Jim Kaeding will send the letter to Chairperson Jeff Gordon in advance of the public hearing scheduled for February 19.

### 2. Review of May farm and town owned land

This agenda item was tabled until the next CC meeting

Meeting adjourned at 7:55 PM.

Meeting minutes prepared by Jean Pillo

These minutes are not official until approved at the next full Conservation Commission meeting
